

SWV PIPE & FITTING SERIES

an OAliaxis company

The UNIVERSAL
Hardware & Plastic Factory Limited
(since 1961)

The Universal Hardware & Plastic Factory Ltd has been engaging in plastic pipe and fitting production business since 1961, is a member of world-reknewed plastic pipe manufacture corporation "Aliaxis". Our company's produce center is located in Dongfeng Town, Zhongshan City, Guandong Province.

Currently, Aliaxis headquarter is located in Brussels, Belgium, Europe. It is the world's largest plastic pipe / valve manufacturing and wholesales company, with more than 400 well-known brands and manufacturers over the world, and with an annual sales more than 40 billion RMB.

We have established a well-organized international management system. With excellent craftsmanship, we provide full and complete range of best quality products to different sectors like, residential and commercial buildings, industrial application, civil works, etc. We produce varieties of plastic pipes, fittings and valves making from different materials including CPVC, UPVC, PP-R, PP, EVA etc. Our products can be complied to different countries' standards, GB, BS, JIS, ASTM etc. which enable our products to switch in different market in the world.

Our company is always close to the trend of the times and the pulse of the market. At the same time, we continue to improve and enhance the technology of production and R&D level, so that we can always stand in the forefront of the market.

With a strong technical team, adhere to independent research and development, innovation strategy and proprietary technology, we were invited to be a core member of the National Plastic Products Standardization Technical Committee - Plastic pipe, Fittings and Valves Division, to participate in the relevant national standards formulation in China. We have an advanced mould development center and have produced over thousand sets of high quality mould which cover whole range of supply and drainage pipe systems. We have trained up a professional sales team and technicians. Our team members are willing to listen the needs of every client, provide professional advice and product knowledge to each customer, to help them to choose the right products and provide the highest level of after sales services.

Through our good company culture, well-organized wholesale distribution network and professional sales team, strong product development, The Universal Hardware & Plastic Factory Ltd establishes a global brand "ANCHOR". ANCHOR is dedicated to serve the public.

General Specifications

Nominal size	Outside Diameter(mm)		Wall Thickness(mm)	
	O.D.(Min)	O.D.(Max)	Min	Max
15	21.2	21.5	1.7	2.1
20	26.6	26.9	1.9	2.4

20°C Impact resistance test	pass	No fragmentation	TIR≤10%
0°C Impact resistance test	pass	-	-
20°C Circumferential stress, ≤7"	pass	-	0.5bar

UPVC BS DRAIN, WASTE AND VENT PIPE AND FITTING SERIES (WHITE COLOR)

Executive Standards: BS 4514, BS 5255, BS 3943, BS 5627

Nominal Size: DN32mm ~ DN200mm

Applications:

1. Construction building drain, waste and vent pipe system;
2. Highway, Tunnel, Subway drain, waste and vent pipe system;
3. Industrial drain, waste and vent pipe system.
